

THE VERIZON VALUE

- America's fastest 4G LTE Network*
- Unlimited calls to over 80 million Verizon customers
- Free upgrade activations

*Based on independent tests conducted in the 8 largest markets, and 36 of the 50 largest markets, in the US., covering 125 million people. These tests measured 4G network speed (including the percentage of downloads above 5 Mbps), and 4G failed connection attempts, dropped connection rates, and task success rates among the nation's largest wireless carriers.
